Article 4: Safety and Security

Privacy & Use of Personal Data

The Client's personal data is collected and processed only in strict accordance with our [Privacy and Cookie Policy](#).

Client Confidentiality

The Client understands that their confidentiality will be maintained within all applicable legal requirements. Confidentiality does not apply in circumstances where we would be breaking the law.

Short digital notes may be taken during the session, these will be stored securely at all times. You have the right to inspect your records should you so wish, and this request will be fulfilled during a therapy session.

Sessions are not recorded, unless permission is provided or recording is advised to enhance the quality of the work.

Confidentiality may be breached if we consider there is a risk you may harm yourself or others.

In such exceptional circumstances, where there is concern for your well being or that of others, it may be necessary to seek help outside beyond our agreement.

In such an event where we are considering breaching confidentiality, you will normally be consulted first.

In the case of a disclosure concerning acts of terrorism, vulnerable adult or child protection issues or drug trafficking, confidentiality will be breached and such disclosures will be passed onto the relevant authority without delay.

Due consideration should be exercised before disclosing anything of a previously unreported criminal nature, as we are obligated to contact relevant authorities.

Safety and Security

The Client is responsible for ensuring that he or she uses the Services' or Products in full accordance with the safety and security instructions provided by Us and does so at his or her own risk.

The Client shall never use any Services or Products whilst:

- Driving a vehicle, operating machinery or any activity that requires supervision
- Whilst under the influence of alcohol or state altering drugs, medication or substances
- Having undergone recent surgery
- Experiencing extreme fatigue
- Suffering from epilepsy, depression*, senility, schizophrenia, personality disorders, or memory loss.
- Whilst on a course of state altering medication*

* In certain cases a written medical referral from the Client's healthcare provider is required, prior to the use of any Services. Failure to provide this information will result in termination or refusal of Services.

The Client may experience strong emotions and is advised to inform us immediately of any difficulties or discomfort.

The Client accepts full responsibility for scanning any digital Product for viruses, malware or other potentially harmful material.

Memories:

Occasionally our Services involve the experience of seeming to remember a past event. It should be noted that any information remembered in this way has as much chance of being false, as it does being based on an actual event. We will keep this kind of work to an absolute minimum.

Physical contact

Occasionally some interventions require direct touch e.g. lifting a wrist. We will always ask your permission and explain exactly what and where the physical contact will occur prior to every occurrence. You may choose for us to work together entirely without touch; if you would prefer to do so, please let us know at the beginning of the session.

Article 5: Disclaimer of Warranties

We are not responsible for the use or misuse by the Client of the Services or Products provided by us or any third party.

The Client agrees that the Products or Services are provided strictly on an "as is" and "as available" basis. Use of the Products or Services is at the Client's own risk. To the maximum extent permitted by applicable law, We expressly disclaim all conditions, representations, and warranties — whether express, implied, statutory or otherwise, including, but not limited to, any implied warranty of merchantability, fitness for a particular purpose, or non-infringement of third-party rights. No advice or information, whether oral or written, obtained by the Client from us or through the Services or Products will create any warranty not expressly stated herein.

To the maximum extent permitted by applicable law, in no event shall we be liable for:

- any indirect, punitive, incidental, special, consequential or exemplary damages, including without limitation damages for loss of profits, goodwill, use, data or other intangible losses, arising out of or relating to the use of, or inability to use, the Services or Products;
- personal injury, or property damage, of any nature whatsoever, resulting from the Client's use of the Services or Products.

This article shall apply to the fullest extent permitted by law in the applicable jurisdiction whether the alleged liability is based on contract, tort, negligence, strict liability, or any other basis, even if we have been advised of the possibility of such damage.

Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, therefore the above limitations or exclusions may not apply to the client. The terms give the client specific legal rights, and the client may also have other rights which vary from jurisdiction to jurisdiction. The disclaimers, exclusions, and limitations of liability under the terms shall not apply to the extent prohibited by applicable law.

Article 6: Not Medical Advice

The Client understands that the Products and Services provided by us and the claims made by us on this website www.boosthypnosis.com have not been reviewed or verified by any official authority or healthcare professional.

The information on www.boosthypnosis.com and the Products and Services provided by us are provided for educational and informational purposes only. They are not medical advice, diagnosis or prescription and must not be used in this way.

The client understands that we are not medical professionals, psychologists or healthcare professionals.

Article: 7 Jurisdiction

These terms and conditions are exclusively governed by the laws of Belgium, in the event of a dispute, only the courts of Brussels shall have jurisdiction.
